

St. Clairsville-Richland City School District
Evaluation of Highly Qualified Professional Development

Name _____ Date _____

Name of Professional Development _____

Directions: Alignment to Ohio Professional Development Standards must be completed following the completion of the professional development experience and submitted to the LPDC Committee along with verification of attendance. Answer only those questions which apply. Refer to Organizing for Highly Qualified Professional Development on pages 25-31 to formulate your responses. **By the end of your renewal cycle, each educator must show evidence of adequate professional development in each standard in addition to 18 CEU's or 6 semester hours.** Once the 6 standards have been met, this form will no longer need to be completed for the remaining professional development. **However, this form must be resubmitted at the time of licensure.**

Standard 1: How is this professional development purposefully structured to occur over time?

Standard 2: What data sources guided you toward this professional development?

Standard 3: How does the professional development include opportunities for collaboration?
